Re: Notice of File Closure for Small Mining Activities, Gunsite Peak Mine, S/005/002, Cache County, Utah

Dear Mr. Montgomery:

In 1998, the Division initiated the payment of permit fees for all existing and new notices. In lieu of paying the permit fee, you requested that your site be inspected and the permit closed. The Division performed the site inspection for this site May 19, 1999 and found no disturbance in the area. This letter is to notify you that permit #S/005/002, for the Gunsite Peak small mining project, located in Section 27, T14N, R2W, Cache County, Utah, will be closed and the file retired.

If you wish to perform any mining related activity in the future, you will need to submit a new notice to the appropriate agency, pay the Division permit fees, and receive written approval prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5382. Thank you for your time and consideration in completing the required reclamation on this project.

Sincerely,

Doug Jensen
Reclamation Specialist
